On October 21, 2021, Corner Stone Credit Union will join over 56,000 credit unions around the world to celebrate International Credit Union (ICU) Day. The theme of ICU Day 2021 is "Building financial health for a brighter tomorrow."

ICU Day highlights the many ways that credit unions across the world help members improve their financial health and well-being.

Credit unions were built on the principle of "people helping people." We've seen that philosophy in action for more than 100 years, with credit unions providing access to affordable financial products and striving to meet the needs of underserved communities. Corner Stone Credit Union is honored to be a part of this proud tradition.

International Credit Union Day is brought to you by Credit Union National Association and World Council of Credit Unions. This year's event is proudly sponsored by Harland Clarke.
